

# haiku new love

Soft cherry blossom songs swing  
Spring time in my heart  
A fresh start for endless love

Exhaled sounds of panicked breath  
Something of a sigh  
Oxygen overrated

Declarations much needed  
Haiku me, my love  
Safety lies in your word play

Balcony coffee tastes grand  
Morning afterglow  
Boundless love calls me by name

Declarations much needed  
Haiku me, my love  
Safety lies in your word play
